

Transfiguration School 2021

Second Virtual Edition • Grades 4-7

Welcome to our Annual Art Exhibit.

I consider it an honor to serve as the Art Teacher to our three Transfiguration campuses. Our students amaze and delight with their interpretations of our art projects.

For the second year we are celebrating our students' achievements in a Virtual Art Exhibit. Please take the time to look at each work as if you were walking through a gallery of art. As you take the time to look at each work you are honoring each student's creative effort.

The work presented here is the result of our synchronous remote and in-person learning during 2020/21. The Creative exercises were planned to encourage students to think individually and express their own thoughts in visual form. The projects were designed to use simple materials and be completed weekly.

Please enjoy the show.

Sincerely,

Carol Rodriguez,

Art Teacher, Transfiguration School crodriguez@transfigurationschoolnyc.org
